

Loddon Valley Football Netball League

Under 18 Competition Guidelines

- Commencing a game:
 - Under the AFL regulations, a minimum of fourteen (14) players on the field is required to commence a game to be played for premiership points (AFL law 5.1).
 - However, if this number falls below 14 for any reason, be it a send-off or an injury, and the injured player is off the field for a period of more than 5 minutes, then the game is forfeited and the 4 premiership points will be awarded to the opposing team. For percentage calculations the score at the time of forfeit shall be recorded.
 - If both teams agree, the game can continue but the final result as being a forfeit shall stand.
- Equalisation:
 - All teams should be equal in numbers on the field to commence the game.
 - The LVFNL believes that all junior players who want to play, should have the opportunity to play as much as possible. With this in mind it is important that any short fall on the field is to be made up with the use of "Day Permits" from the opposition club.
 - This ensures that most boys will be on the field and one team will not have an excess of interchange players waiting to take the field.
- Permits:
 - The LVFNL has developed area agreements with Bendigo Football Netball League, Bendigo Junior Football League, Heathcote & District Football League, North Central Football League, Golden Rivers Football Netball League, Central Murray Football Netball League, Goulburn Campaspe Junior Football League and AFL Goldfields.
 - These agreements (which can be found on the LVFNL website) allow players to play with a LVFNL Club on permit for the day under strict guidelines. The onus is on the club to be aware of the terms and conditions of any and all area agreements.
 - LVFNL Clubs have agreed to allow permit players from the LVFNL club which has the scheduled bye to play with another LVFNL Under 18 team which may require permit players on that day.
 - Once an Under 18 player has played in the Senior grade of their club, represented LVFNL Under 18 / played a TAC cup game during the current season then that player is ineligible to play with another LVFNL Under 18 team. (Note: Senior grade does not include any Reserves games).
 - In terms of restrictions on playing numbers, etc., these permit players from a LVFNL Club are to be considered as similar to permit players from another league. Consequently only 20 players (including permit players) can be listed on the team sheet.
- Individual League Awards:
 - Permit Players are ineligible to win LVFNL awards.
 - Players that are permitted from a LVFNL club which has the scheduled bye to another LVFNL club are **NOT** eligible to receive league best and fairest votes for the club they played with on Permit. Any votes awarded will **NOT** be added to his home club vote tally.
 - Any goals kicked by a player from a LVFNL club who has the scheduled bye while on permit to another LVFNL club will have goals recorded with the club they played with on permit. These goals will **NOT** be added to his home clubs season goal tally.
- LVFNL By-Law 20.i.
 - In the Under 18 Competition during the Home & Away Season, a free kick shall be awarded to the opposition if a player kicks the ball over the boundary line, whether on the full or not. If the ball is knocked or taken over the boundary line (not by foot) or if in dispute or uncertain then the central umpire conducts a ball up 5m from the boundary line where the ball went out. No player can have a direct kick for goal under this rule, except if the ball was kicked out on the full.
